The Institute of Marine Engineers (India)

The Institute of Marine Engineers (India) – IME(I)

IME(I) is an independent, non-profit, professional membership organisation dedicated to the promotion, development and advancement of education and research in the field of Marine Engineering. The Institute is committed to upholding the status, standards and competence of marine professionals.

What We Do

- Offer various categories of membership for Marine Engineers seeking professional recognition.
- Conduct preparatory courses for the Certificate of Competency Examinations at our Head Office in Nerul, Navi Mumbai, as well as in Kochi, Kolkata and Goa.
- Organise monthly technical seminars and lectures at our headquarters, branches and chapters across India and abroad.
- Host national and international conferences and seminars, including INMARCO, the World Shipping Forum, GLOMARS, Comarsem and WMTC.
- Publish *The Marine Engineers Review (India)*, a monthly technical journal and *iMélange,* a monthly news magazine highlighting social events, branch activities and student chapter initiatives.
- Present awards and prizes for the best technical papers published in *MER*.
- Publish books on Marine Engineering and support members in publishing works beyond the marine domain.
- Provide complimentary digital access to the IME(I) i-Library for all our members.
- Collaborate with MUI and CMMI to offer a Maritime e-Library to IME(I) members.
- Maintain active engagement with members through social media platforms including Facebook, Twitter, LinkedIn, Instagram, YouTube, mass mailing and WhatsApp.
- Collaboration with IMU including sponsor research activities and collaborate with IMU Chennai to fund Junior Research Fellow (JRF) positions, thereby promoting maritime research and development.
- Provide financial assistance to marine engineers and extend maritime consultancy services.

- Work in collaboration with the Directorate General of Shipping at international forums.
- Serve as a trustee on the Board of Examinations for Seafarers Trust (BEST).
- Committed to upholding the status, improving the standards and enhancing the competence.

IME(I)'s Partnership with the Indian Flag State Administration

- Provide administrative support to the Directorate General of Shipping.
- Conduct inspections of Maritime Training Institutes across India to ensure quality education and training standards.
- Design and distribute Training and Record Books (TAR Books).
- Organise and support the Green Shipping Enclave International Technical Seminar under the aegis of the Directorate General of Shipping.

IME(I) Collaborations

IME(I) actively partners with the following organisations to enhance industry standards, research and professional development:

- Bureau of Indian Standards
- Indian Register of Shipping
- Institute of Marine Engineering, Science and Technology (IMarEST), UK
- Engineering Council of India
- Institute of Maritime Studies
- Board of Examinations for Seafarers Trust
- World Maritime Technology Congress
- Andhra University
- Member of ASSOCHAM
- Member of FICCI
