INTRODUCTION

The Institute of Marine Engineers is premier body representing marine engineering professionals from India with the objective of promoting the scientific development of Marine Engineering and other allied subjects.

Institute of Marine Engineers (India) - Visakhapatnam Branch (IME(I) -V) has been conducting GLOMARS at regular intervals. GLOMARS 2019 was a huge success with participation of Industry and Academia.

Institute of Marine Engineers (India) - Visakhapatnam Branch invites you take part in this global seminar in any of the following options:

GLOMARS provides an opportunity to showcase your products/expertise and gives you a platform to interact with large number of prospective clients and interested parties.

It is a call to all the bigwigs and stalwarts of the Industry, Academia to showcase their products, talent at the seminar by way of portraying the latest technologies, presenting their findings of research etc at this global event. This is a big event noticed by one and all connected with Marine and Allied Fields.

Theme: AI and Machine Learning in Marine Sector

Participants: Engineering- Marine. Ocean, Subsea, Naval Architecture, Maritime Electrical and Electronics, Fire and Life Saving Engineering, Fuel and Lubrication Engineering, Defence Specialisations, Traditional and Specialised propulsion systems and allied Engineering, etc

Sciences: Fisheries, Marine Bio Systems, physical oceanography (the study of waves, currents, tides and ocean energy); geological oceanography (the study of the sediments, rocks and structure of the seafloor and coastal margins); chemical oceanography (the study of the composition and properties of seawater etc.

PAPER PRESENTATION AT THE SEMINAR

Papers on the above technical topics or related topics are called for both presentation at the Seminar as well as publication in the compendium.

STEPS TO PAPER SUBMISSION

1. Full papers may be sent to papersGLOMARS@gmail.com.
2. The same will be verified by the team of experts as the relevance to the theme.
3. Final paper along with biodata of presenter/s or authors shall be submitted by 15th February 2024.
4. Final paper shall be in double column (research format) in singlespace . Both in PDF and word format is needed. This is to adjust the alignments. Pictures and diagrams shall have clarity.
5. Authors shall solely be responsible for their papers for trueness of content.
6. Plagiarism check will be carried out for all the papers. Peer review also by experts in the relevant field before a paper is accepted.
7. It will be the endeavour of the Organisers to allow all the papers for presentation at seminar. However due to paucity of time, some papers may not get chance for presentation. However all the accepted papers will be published.
8. There shall be three prizes for the best papers overall. 1st, 2nd and 3rd. The Committee will decided these prizes based on the relevance of topic to the theme, Presentation skills. The winners will receive Memento and certificate.
9. It has been decided to adjudicate papers from students in a separate category and give first and second prizes.
10. Papers from students are to be certified by their HoD and Principal.
11. All the participants will receive Certificate of participation.
12. Due to overwhelming response and request from many enthusiasts, the requirement of synopsis has been done away with and any one can present full papers by deadline date.
