7. Welcome Address by President (Item No. 2). The President, Mr. Rajeev Nayyer, chaired the Annual General Meeting (AGM) and warmly welcomed all members and distinguished invitees to the session.

8. Adoption of Agenda for 42nd AGM (Item No. 3). The circulated agenda for the 40th Annual General Meeting (AGM) was taken as read and unanimously adopted by the General Body present

9. Adoption of Minutes of 41stAGM (Item No. 4). The Honorary General Secretary (HGS) informed the General Body that the draft Minutes of the 41st Annual General Meeting (AGM) had been circulated on 02nd Nov, 2024, with clarifications and comments invited up to 09th Nov, 2024. The finalized Minutes were subsequently circulated on 21st November 2024. The General Body accepted the finalized and circulated Minutes without any further amendments, as resolved below, and the same are placed as an enclosure to these Minutes.

<u>Resolution No.</u>	<u>Details of Resolution</u>
41.04.01	RESOLVED that the Minutes of the 41 st Annual General Meeting (AGM), as circulated, be and are hereby verified and approved
<u>Proposed By:</u>	Mr. S M Rai
<u>Seconded By:</u>	Mr. V D Prasad

10. Adoption of Audited Accounts (Item No. 5). The audited accounts of IME(I) for the Assessment Year 2025–26 (Financial Year 1st April 2024 to 31st March 2025) were presented by the Honorary General Secretary (HGS) and tabled for discussion before the members present.

The HGS informed the General Body that the circulation of the audited accounts had been delayed due to pending submissions from a few branches. The consolidated accounts were subsequently circulated to members and the Governing Council on 18th September 2025. All comments received were duly addressed and clarified, and no further modifications were required.

The Hon. President informed the members that the audited accounts had been approved by the Governing Council and highlighted the following points:

1. Financial Overview:

The balance sheet reflects a healthy financial position with a positive inflow during the year. Branches are requested to submit their audited reports to the Head Office by **30th June each year** to facilitate holding the AGM by the end of August. Branches are also urged to conduct their respective AGMs at the earliest.

2. Observations in the Audited Report:

- **Mutual Fund Accounting:** The current practice does not comply with Accounting Standard (AS) 13, which stipulates that investments should be recorded at cost, with profits or losses recognized only upon disposal. The Governing Council recommended that future accounts be aligned with this standard.
- **Benevolence Fund:** No income was recorded during the year as the fund is utilized solely for benevolence activities. The interest income had been transferred to “Other Income”; this will be corrected. The balance sheet remains unaffected, and the Benevolence Fund interest will continue to be reflected under the fund itself.
- **Building Fund:** The amount shown under “Funds & Liabilities” represents accumulated funds. However, expenses incurred have not been reflected in the Income & Expenditure section; this will be rectified by the Chartered Accountant.

The accounts and auditor’s report were thereafter **adopted as presented**, and the following resolution was passed

<u>Resolution No.</u>	<u>Details of Resolution</u>
42.05.01	RESOLVED that the Audited Income and Expenditure Account for the financial year ended 31 st March 2025, together with the Balance Sheet as on 31 st March 2025 and the Auditor’s Report, be and are hereby adopted.
<u>Proposed By:</u>	Mr. Suresh Shenoy
<u>Seconded By:</u>	Mr. V K Jain

11. Confirm re- Appointment of the Auditor for FY 2025-2026 (Item No. 6). The Honorary General Secretary (HGS) informed the members that Mr. Rajendra Trivedi serves as the auditor for the Institute's accounts and that his appointment had previously been approved with a remuneration of Rs. 80,000/-. His re-appointment, without any change in remuneration, was recommended and the following resolution was adopted.

The Governing Council further noted that Mr. Trivedi has been serving as the sole auditor for an extended period and observed that it may be prudent to obtain alternative professional opinions in the future to ensure audit independence. It was agreed that this matter would be referred to the Governing Council for consideration after the completion of year 2026-2027.

<u>Resolution No.</u>	<u>Details of Resolution</u>
42.06.01	RESOLVED that the Rajendra Trivedi be reappointed as the Auditor for Financial Year 2025-26 at an annual fee of Rs. 80,000/- plus taxes.
<u>Proposed By:</u>	Mr Gautam Sen
<u>Seconded By:</u>	Mr Chitta Dash

12. Presentation of the 'Council Report' for the period of 16th July 2024 to 26th July 2025 (Item No. 7). The Council Report (Annexure 'C') for the period 16th July 2024 to 26th July 2025, covering the activities of the Head Office, Governing Council, and various Subcommittees, as previously circulated, was reviewed at the AGM. There being no further comments, the Report was accepted as presented,

The Hon. President informed the members that IME(I) has received approval for additional FSI to construct the 4th floor at IME(I) House. He expressed his appreciation for the dedicated efforts of the Office and the Chairman of the Land & Building Subcommittee, Mr. A. K. Gupta, in achieving this significant milestone.

He further noted that the solar panel installation proposal had been deferred due to the FSI approval process; however, it remains under active consideration. The Governing Council recommended that the next Council proceed with the construction of the additional storey and concurrently explore the installation of solar panels.

The Hon. President also drew attention to another important matter. As a charitable organization, IME(I) has consistently maintained its exemption from income tax, given that its activities are primarily educational in nature a position supported by legal opinions obtained over the years. However, demands for Income Tax assessments have been raised beginning with Assessment Year 2009–2010, which continue to appear under contingent liabilities in the Chartered Accountant's report. The matter remains under review by the Income Tax Department under the new assessment scheme, and relevant figures are detailed under Schedule M of the audited accounts.

In each instance, IME(I) has filed the necessary submissions affirming its status as an educational charitable trust, and such matters have generally been resolved in its favour. This issue, however, continues to require attention and mitigation. The outstanding balance towards this contingent liability is approximately Rs. 3 Crore and the membership was apprised of this ongoing position.

13. Submission of amendments/ changes to the ORP after 41st AGM (from 101st GCM to 103rd GCM) within the reorganized ORP (Item No. 8). The amendments and changes to the ORP, made after the 41st AGM and circulated along with the agenda as *Annexure 'E'*, were placed before the AGM for information and update.

14. Announcement and Presentation of Awards (Item Nos. 9 - 11). The below mentioned awards were announced and presented:

(a) Declaration of the ‘P.C. Jain Memorial Student Award’ for the Year 2024 – 2025 : The award for the best technical paper by students was presented to Shri Manav Gurjar and Shri Karan Rautela for their paper titled ‘Renewable Energy-Powered Liquid Nitrogen Generation for Work Extraction’ published in i-Mélange in March 2025.

(b) Declaration of the ‘H.S. Rao Memorial Award’ for the Year 2024 – 2025: The award for the best technical paper was presented to Mr. Dauson Nyonyi, Dr. V. V. S. 15. Nomination of Jury for R.L. Jain Memorial Award 2026 (Item No. 12). The below mentioned names were proposed for the Jury to adjudge the R.L. Jain Memorial IME(I) Lifetime Achievement Awards for the Year 2026 and adopted as below

<u>Resolution No.</u>	<u>Details of Resolution</u>
41.12.01	RESOLVED that the Jury for R.L. Jain Memorial IME(I) Lifetime Achievement Awards for the Year 2026 comprise Mr Maneesh Jha (SIMS), Mr Sanjeev Kumar (TWSM), Mr P K Mishra (IRS) in addition to the President, IME(I) and the HGS.
<u>.Proposed By:</u>	Mr N Rajan
<u>Seconded By:</u>	Mr Sanjeev Mehra

16. Announcement of the Election Results for the Term 2025 - 27 of the GC and Office Bearers Item No. 13): The Hon. President, Shri Rajeev Nayyer, expressed his appreciation to the Election Officer, Mr. V A Kamat, along with Mr. M. B. Prasad, Mr. Manteshwar Kumar , and the office staff for their dedicated support in conducting the elections smoothly. He noted that the introduction of e-voting had been well received and appreciated across the industry.

17. Any Other Matters (Item No. 14). No points were received for discussion under any other matters, except for discussions and Member suggestions

i) A member suggested that the Institute should explore undertaking maritime policy research through its Research Cell, in a consultative capacity with the Ministry of Ports, Shipping & Waterways, Government of India. With the recent enactment of the Merchant Shipping Act and the consolidation of five major maritime legislations, it was emphasized that ensuring policy adequacy and relevance is crucial. Leveraging IME(I)'s technical expertise in this area would be instrumental in supporting the nation's maritime growth in alignment with Vision 2047.

The Hon. President acknowledged the suggestion and agreed that the maritime sector is presently in an evolving phase, receiving significant attention from the Government. He noted that with the introduction of new maritime legislations, there is renewed focus at the national level, supported by initiatives such as Maritime India Vision 2030 and Maritime Amrit Kaal Vision 2047, where the maritime domain is expected to play a pivotal role.

He further observed that the Ministry's roadmap is ambitious and that IME(I) is well positioned to contribute meaningfully. The Institute has built a strong rapport with the Ministry, which recognizes IME(I)'s contributions. The next leadership is expected to continue strengthening this engagement, particularly through research and development initiatives.

The Hon. President also informed that, under the MoU with the Indian Maritime University (IMU), collaborative initiatives are underway to provide funding support for two Junior Research Fellow (JRF) positions, aimed at promoting research and development activities in various fields of the maritime sector at IMU.

ii) Mr. S. M. Rai congratulated the Hon. President, Shri Rajeev Nayyer, for his exemplary leadership, teamwork, and the collective efforts of all members over the past two years. He also appreciated the strong relationships maintained with government bodies such as IMU, DGS, classification societies, and other external organizations.

He also commended the Mumbai Branch for transferring a surplus of approximately Rs 40 lakhs to the Head Office during the current financial year through initiatives such as the Green Shipping program and the Annual Meet a notable achievement accomplished without INMARCO. Mr. Rai encouraged continued engagement with external bodies and suggested that IME(I) should actively interact with the Secretary, Ministry of Ports, Shipping & Waterways, Mr. Mehra, during official functions organized by the Ministry and the Directorate General of Shipping in Mumbai. He further acknowledged the record funds raised during the period and expressed confidence in the Institute's continued success.

The Hon. President thanked all members for their continued support and contributions towards the Institute's growth. He appreciated the financial success of the Green Shipping Conclave and the World Maritime Technology Conference (WMTC), both of which made significant contributions, with WMTC generating substantial revenue for the Institute.

He also commended the team working towards the implementation of a Group Medical Insurance Policy for members and expressed appreciation to Mr. Amit Bhatnagar for his efforts. The Hon. President informed that once the account details are finalized, the information will be shared with all members.

Upon request, Mr. Nayyar elaborated on the benefits of the medical insurance scheme and encouraged members to avail themselves of the facility.

iii) A member pointed out that the Patna and Rajasthan Chapters were not reflected in the election results. The Hon. President clarified that the Patna Chapter is presently being overseen by the Kolkata Branch, as no activities have been reported from Patna. In the case of the Rajasthan Chapter, no nominations were received. He further informed that the Singapore Chapter remains the only active overseas chapter at present, while the UK Chapter is yet to be formally initiated.

iv) Mr. Basu informed that The Institution of Engineers (India) [IEI] has initiated work on a Section B-level M. Tech program in collaboration with select universities. He suggested that IME(I) consider launching a similar M. Tech program in Marine Engineering, which would significantly benefit professionals seeking mid-career academic advancement.

The Hon. President acknowledged the suggestion and explained that while IMU has already introduced an MBA program, initiating an M. Tech program would require appropriate academic recognition and accreditation. He added that any such initiative must be aligned with a recognized academic body and informed that the proposal would be referred to the Career Development Committee for further examination.

v) Another member suggested that, for academic recognition, the existing PGDMA course— which has successfully completed several batches—has already been recognized by the University of Mumbai, the only university granting equivalency to a master's degree. The member noted that the University of Mumbai has been very cooperative with IME(I), and if IEI concurs in principle, there should be no difficulty in obtaining similar recognition. He further stated that such a program could result in a prestigious and innovative qualification with potential for international recognition.

The Hon. President clarified that IME(I) has not yet pursued equivalency for the existing Certificate of Competency (CoC) programs to higher academic levels. He explained that while institutions may recognize the COC's for courses conducted on their campuses, equivalency is a separate and distinct process. He assured the members that the matter would be referred to the Equivalency and Career Development Sub-Committee for further consideration.

18. Vote of Thanks (Item No. 15). There being no further points for discussion, Capt. Dr. Bhaskar Bhandarkar (Retd.) thanked all members for their presence and active participation in addressing the important matters of the meeting.

He expressed his sincere appreciation to the President, all members—present and absent—and the award winners for their contributions. He also acknowledged Mrs. Jain for her continued encouragement each year.

Special thanks were extended to the Mumbai, Chennai, and Membership teams, including Mr. Amit Bhatnagar, for their dedicated efforts. He highlighted his commitment to member welfare during his tenure as Vice President and expressed confidence that the incoming team under Mr. Kaushik Seal will further strengthen the Institute.

He also appreciated Mr. Pushkar Basu for his valuable suggestions, noted the successful joint IME(I)–IEI webinar, and thanked the staff—especially Mr. Shetkar, Director (Training)—for their hard work. He concluded by thanking all members for their support and passion for IME(I), offering apologies for any unintentional omissions.

With no other business to consider, the meeting was declared closed.

SUB-COMMITTEES AT IME(I) HEAD OFFICE (HO)

Constitution and Activities. Details of all Sub-Committees that function at HO are published on the website of the Institute and important activities carried out are briefly covered in this report at subsequent paragraphs.

i) **ADMINISTRATION & LEGAL SUB-COMMITTEE (ALSC):**

a) Income Tax Matters. The updated status of the IT matters is as below:

<u>Tax Year</u>	<u>Where the Matter lies now</u>	<u>Update as on date</u>
2008-09		There is nothing pending for this Tax Year.

2009-10	Before the Ld. Assessing Officer (Ld. AO') <u>since our Institute had already won the matter quite decisively before the Hon'ble Income tax Appellate Tribunal ('Hon'ble ITAT')</u>	• Our Institute had won the case for this Tax Year, (after a hard fought and long wait) <i>vide</i> the favourable order of the Hon'ble ITAT, Mumbai dated December 17, 2025. Our Institute won this victory, in the second round of litigation process and that too, after about 8 years. • After receiving the said order, our Institute made an application for giving effect to the favorable verdict and recompute the taxable income as Nil (i.e., to restore our returned income) and determine the income-tax refund due to us. This process is commonly known in tax circles as the OGE. • After lot of follow-ups, the Ld. AO passed the OGE determining the total income at Nil and computing the consequential refund of Rs. 2.88 crores. But instead of issuing the refund cheque to us, the Ld. AO adjusted this entire refund against the substantial income-tax demands, which were there in the IT Department's system, for the later Tax Years. • Kindly note that the entire amount of refund, which has presently been adjusted against other outstanding demands and would be released upon disposal of the pending appeals and consequential vacation/reduction of such demands for later Tax Years, which our Tax Consultant is working hard to get.
2010-11		There is nothing pending for this Tax Year.
2011-12	Before the Hon'ble Commissioner of Income-tax (Appeals) or the Faceless Appellate Center – this is the	• As per Hon'ble ITAT order dated 17.01.2018, this matter was restored back to Hon'ble CIT(A) • We are following up with the Hon'ble CIT(A), which has now become faceless proceedings.

The Institute of Marine Engineers (India)

Promoting Knowledge, Building Relationships

	first level of appeal process	
2012-13	Before the Hon'ble Commissioner of Income-tax (Appeals) or the Faceless Appellate Center	- As per Hon'ble ITAT order dated June 27, 2018, this matter was restored back to Hon'ble CIT(A) - We are following up with the Hon'ble CIT(A), which has now become faceless proceedings.
2013-14	Before the Hon'ble ITAT	- This matter had come up for hearing before the Hon'ble ITAT, Mumbai Bench and after hearing our arguments, the Hon'ble ITAT had pronounced the matter as 'heard' on July 15, 2026 i.e., very recently. <i>This means that the order is expected to be received any time now.</i> - We strongly expect that order to passed in our Institute's favor since we already have the favorable precedent in case of Tax Year 2009-10 (as discussed above)
2014-15	None	- In March 2026, we had won a favorable verdict from the Hon'ble CIT(A) in this matter. - So, we took the matter before Ld. AO to pass the OGE. - Accordingly, the total income of IMEI for Tax Year 2014-15 has been assessed at Nil and the returned deficit of Rs. 86.17 lakhs has been accepted and allowed to be carried forward to future assessment years. - The recognition of the deficit preserves the our institution's right to utilize such excess application against income of subsequent years, thereby providing tax benefit in future assessments.
2015-16		There is nothing pending for this Tax Year.
2016-17	Before the Hon'ble ITAT	This matter had come up for hearing before the Hon'ble ITAT, Mumbai Bench and after hearing our arguments,
2017-18	Before the Hon'ble ITAT	

2018-19	Before the Hon'ble ITAT	the Hon'ble ITAT had pronounced the matter as 'heard' on July 15, 2026 i.e., very recently. This means that the order is expected to be received any time now. We strongly expect that order to be passed in our Institute's favor since we already have the favorable precedent in case of Tax Year 2009-10 (as discussed above)
2019-20		There is nothing pending for this Tax Year.
2020-21	Before the Ld. AO	- We had filed the income-tax return for this Tax Year claiming income-tax exemption for charitable trust. - But while processing the same, the Income-tax Department rejected our claim for the said income-tax exemption. - So, we have filed a rectification petition before the Ld. AO on April 6, 2026, which is currently pending. The Ld. AO
		has presently agreed to take it up after receipt of the Hon'ble ITAT order for the 4 Tax Years mentioned above.
2021-22		There is nothing pending for this Tax Year.
2022-23		There is nothing pending for this Tax Year.
2023-24		There is nothing pending for this Tax Year.
2024-25		There is nothing pending for this Tax Year.

The submissions concerning the Change of Trustees and Changes in Immovable Properties have been duly filed with the Charity Commissioner. These matters are currently under review and are expected to be examined in due course. Our advocate, Mr. Sameer Gupte, is actively following up to secure an early hearing. The hearing is scheduled for October 1, 2026, to resolve the pending case

d) **Hotel Sahara Star**

Hotel Sahara Star filed their GST return for November 2022 in September 2025. Subsequently, we claimed the input credits in accordance with GST rules and regulations. The claimed input credits were adjusted against the regular monthly GST payments due from IMEI from [start month] to [end month]. As of date, any remaining balance, if applicable, is [specify the months and the remaining amount]. Please provide the specific months during which the credits were utilized and any balance still outstanding.

e) **SOP for Major Branch Events :**

Review and approval of the draft Standard Operating Procedure (SOP) for major events, including INMARCO, the Green Shipping Conclave, and similar initiatives.

The draft SOP, prepared by the Mumbai branch, is designed to streamline the planning and execution of these major events. It will be circulated along with the upcoming GC meeting agenda for review and approval by the GC members. The members are also requested to specify whether the SOP should be incorporated into the ISO Manual or included under the Operational Rules and Procedures (ORP).

Once finalized and approved, this SOP will be standardized and implemented across all IME(I) branches and chapters to ensure consistency, efficiency, and effective management of major initiatives.

F) Opening of New Chapter – A new chapter has been established at Lucknow under the IME(I) Delhi Branch. The inauguration planned for 15th September 2026.

1. Development of New Courses

- We are in the process of applying for the online approval for the following courses.
- MEO Class IV (FG)
- Electro-Technical Officer (ETO) to MEO Class IV CoC
- ETR Bridging to ETO
- ETO preparatory course

2. To start Training centre / other activities at other branches

After getting the approval from the DGS, IME(I) Kolkata and IME(I) Goa branches have already started conducting various types of modular courses.

During the period under review, IME(I) METC – Kolkata has conducted the following courses:

- i. IGF Basic course - 10 batches

Institute of Marine Engineers (India)

Promoting Knowledge, Building Relationships

- ii. Crowd Management, Passenger Safety and Safety Training - 16 batches
- iii. Crisis Management, Human behaviour - 03 batches of
- iv. STSDSD course - 1 batch
- v. Ship Security Officer (SSO) course - 5 batches

The Kolkata branch has hired another space in the same building and in the same floor which is now ready and fully functional. Since the space is available now, IME(I) METC – Kolkata was also advised to apply the online approval for MEO Class II(FG) preparatory course.

Likewise, IME(I) METC – Goa has also conducted the following courses:

- i. Basic LGT courses - 6 batches
- ii. STSDSD course - 2 batches
- iii. Basic OCTO course - 7 batches
- iv. IGF (Basic) - 8 batches
- v. Ship Security Officer (SSO) course - 2 batches.

METC – Kolkata and METC - Goa were advised to apply the online approval for MEO Class II(FG) and MEO Class IV (FG) preparatory courses

IME(I) Kochi is now running 5 nos. courses and fulfilling the DGS requirement. METC - Kochi is also working for the online approval for MEO Class IV (FG) preparatory course.

As per the meeting of CD subcommittee the following actions have already been taken.

- i. “Group discussion/Tutorial” WhatsApp group for the MOT candidates for all categories for Class 1 to Class IV had been created and is running in full swing on pan India basis. Experts in huge numbers are participating in giving answers to various

queries of the candidates. This can be termed a success.

The details of the groups are as follows:

- i. No. of candidates in the MEO Class IV group- 150
- ii. No. of candidates of MEO Class II in the (MEO Class I and Class II) combined group – 200
- iii. No. of candidates of MEO Class I in the (MEO Class I and MEO Class II) combined group - 150

Total number of experts in the groups – 100 (approx.)

Students are getting benefited by these WhatsApp groups.

Conducting of value added courses at the branch level was also discussed. Conducting of online coaching on paid basis was also discussed during the last CD SC meeting.

3. Admission Software System:

The IMS Software system is now working in full-fledged manner and now the booking, documentation and payments are being accepted through the software system for all courses.

Apart from training course booking different functions such as TAR Books, Library, hostel etc. have also included under this system.

The same software also implemented for IME (I) Kochi as an extended campus.

Item 1 - Maintenance and Upgradation at IME(I) House

a) Routine Maintenance:

- Regular maintenance activities are ongoing, following the renewal of all AMC contracts.
- Essential repairs to the building and furniture have been completed.
- Partial areas of paver blocks have been re-leveled, with additional drainage lines introduced.
- Leakages in Room Nos. 301 and 303 were resolved using waterproofing compounds.
- Hostel room maintenance complaints were addressed as per the complaint register, with upgrades including exhaust fans in bathrooms of
Rooms 1 to 9, mosquito nets, painting, and finishing work.
- During CIP and ISO QMS audits, only touch-up painting was carried out in passages, corridors, classrooms, staircases, duct doors,
and bathrooms.
- Drainage chambers were cleaned by NMMC before the monsoon.
- Additional tree cutting was carried out with NMMC approval.
- Upgradation of the Auditorium Air Conditioning system.
- The front boundary wall height has been increased with MS Jali fencing.

b) Painting Work

Complete interior and exterior painting of all floors, including hostel rooms, has been executed.

c) Additional FSI Application

Final drawing plans approved by the High Value Committee for the 4th floor and terrace area are under process through the architect, submitted to NMMC. More details provided under High Value Committee Updates

Item 2: Updates from the High Value Committee

The following proposals have been submitted to the High Value Committee for review and final approval:

a) Chennai Branch – Purchase of Office Premises (LR)

Super built-up area: 1,650 sq. ft.

Estimated cost: Rs. 1.5 crore

Action Plan: The Chairman of Chennai Branch has been requested to submit all property documents, prioritizing registration/regularization/Legal advice, if any, before HVC consideration.

b) IMEI Kochi – Purchase of Land

Land area: 24 cents

Estimated cost: Rs. 6 crore (land only, development cost extra)

The site has been deemed suitable; a comprehensive proposal with financial justification (estimated Rs. 9 crore for acquisition and development) will be prepared for Governing Council approval. The project will proceed only after ensuring adequate financial resources and phased statutory/internal approvals.

Regarding the Building Fund (approx. Rs. 35 lakh), which is deemed insufficient for capital projects, the Committee will seek advice from the Chartered Accountant on the Fund's status, legal/financial framework for augmentation, and optimal financing options.

Action Plan: Prepare a detailed proposal with supporting documents for land acquisition and development, ensuring project feasibility and financial viability. Obtain CA's advice on the Fund's status and financing options, and submit for Governing Council approval.

Institute of Marine Engineers (India)

Promoting Knowledge, Building Relationships

c) Visakhapatnam (MOU with Andhra University) – First Floor Construction

Construction area: 2,783 sq. ft.

Estimated cost: Rs. 78 lakh

HVC Meetings:

11.07.2026: Emphasized initiating training programs to generate revenue, clarified DG Shipping approval requirements, and recommended applying lessons from Kolkata/Goa projects.

11.08.2026: Noted that legal/statutory aspects of the IMEI–Andhra University MoU (99-year lease) are vetted and approved. The project's feasibility and sustainability were reviewed; approval is contingent on the Governing Council's acceptance of the viability plan.

d) Head Office – Additional FSI

A Career Development Committee will prepare detailed architectural drawings and a comprehensive business plan for submission to NMMC to secure estimates and statutory approvals.

Submission of drawings for the proposed 4th floor to NMMC is in progress through the architect.

iv) **Finance & Business Development Sub-Committee (FBDSC)**

The TDS software has been renewed centrally through the Head Office (HO).

E-invoicing via Tally Prime software has been implemented since 01.08.2023 on a monthly basis for reflection in the GST portal. The filing of individual branch GST returns has been centralized at the Head Office on a monthly basis.

Various options for the creation of building funds are being explored in consultation with the Chartered Accountant. Mutual Fund cost of the Investment – INR 3.25 Cr, Market Value INR 6.35 Cr as on 26th July 2026.

The process of finalizing the legal opinion and framework regarding the proposed OF IMEI Consultancy Services is ongoing. The documents are being carefully refined to ensure comprehensive coverage and compliance. Additionally, we seek your guidance and any further suggestions on necessary amendments to be incorporated into the Abstract of the Operation Rules and Procedures to enhance clarity, consistency, and regulatory adherence.

v) Quality Sub-Committee (QSC)

Internal audits of branches and chapters were completed between 2nd December 2025 and 20th January 2026.

The Head Office audit was conducted from 7th March 2026 to 10th March 2026.

The Management Review Meeting (MRM) was held on 9th May 2026.

QMS Surveillance—2 onsite audits were conducted at branches in Kolkata, Kochi, Gujarat, and at the Head Office in May and June 2026.

The committee would comprise the Chairman of the respective Sub-Committee related to the specific project, the Chairman of the Finance Sub-Committee, the Hon. General Secretary, the Vice President and two Immediate Past Presidents.

The committee shall decide the Chairperson and members based on the nature of each project. It was further informed that whenever the Head Office or any Branch submits a proposal requiring the constitution of a High Value Committee (HVC) — such as for property acquisition or for any proposal exceeding Rs 10 lakhs — the matter shall be referred to the HVC. In case of any new project, the General Council shall constitute a new HVC specific to that project.
