It was agreed that HO/HGS would centrally seek volunteers from the entire membership of the Institute to become a part of these Sub-Coms subject to inclusion/confirmation by the concerned Sub-Com Chairman. Further, the President advised each Sub-Com Chairman to propose their Budget for the next Financial Year by the last week of October 2021. Further, the Chairmen of each Branch were requested to nominate one Member from his Branch to be a part of these Sub-Coms at HO to ensure seamless implementation and workflow across branches. 18. **Office Bearers Delhi/ Pune Branch & Patna Chapter (Agenda Item No. 15).**

The peculiar situation of incomplete/ lack of council members and office bearers at the Pune and Delhi Branch and the Patna Chapter was taken up by the EC for discussions. Post discussions it was agreed that the elected members would need to select the Office Bearers amongst themselves and nominate / co-opt members for their EC/ Chapters. Further, at HO the ORP and M&AoA are to be examined and if need be the Election Officer consulted to determine if there is a need to obtain a legal opinion on the methodology to finalise the EC/ Office Bearers at these Branches and Chapter in light of such a unique situation where there was absence of elected members. In view of the complete lack of nominations from Patna Chapter and also reported inactivity of the Chapter during the last term, it was suggested that efforts be made to rejuvenate the Chapter by the Kolkata Branch Chairman. Kolkata Chairman to advise within a period of 3 months his views about the outcome of these efforts.

19. **Pending Legal / Urgent Issues (Agenda Item No. 16).**

(a) HGS informed that there exist pending IT Cases involving demand by the IT Department for previous FYs and the appeal against such demand has been filed. Detailed status of these would be included in the ATRs to be circulated subsequently as there was no urgency on the matter as on date.

21. **Date for Next GC Meeting (Agenda Item No. 17).** The President brought out that while the practice is to restrict the GCMs to twice in a year for minimising expenditure, the next meeting would need to be scheduled earlier on as required basis. Further, the meeting could be held virtually to contain expenses and be limited to one day unless the business to be conducted demands a longer duration. Accordingly, it was agreed to hold the next meeting with sufficient notice as required.

22. **Vote of Thanks (Agenda Item No. 18).** Mr Amit Bhatnagar thereafter presented the Vote of Thanks and the GC placed on record the appreciation of good work done by the previous term and the outgoing Office Bearers. There being no other points, the meeting was drawn to a close.

Annexure 2

(Refers to Para 19 of the MoM)

**PROPOSAL FOR INCLUSION OF MEMBERS IN SUB-COMMITTEES
AT HO AND BRANCHES**

1. **Purport.** This document aims to achieve the following:
 - (a) Outline the current process of inviting members to Sub-Committees.
 - (b) Highlight the complications in the current procedure being followed which necessitate a procedure to be incorporated in the ORP.
 - (c) Suggest an amendment in ORP with a procedure for future invitees.

2. **Current Process for Members to Sub-Committees.** IME(I) has 8 branches pan-India and its headquartered at Mumbai as **HO**. The HO and branches are run by elected members that serve two-year terms as part of the Governing Council (**GC**) and Executive Committee (**EC**), respectively. These elected offices are voluntary and not for profit. Given the substantial impact that the IME(I) has on the community, it has allowed Co-opting of Members to Sub-Committees (**Sub-Com**) at HO under **Article 17.0** of the **ORP**. At the Branch level provision under **Rule 7, Part - III** of **ORP** exists to co-opt members to the **EC**.

3. **Complications.** There is no formal process of co-opting the aforementioned members, whether into the Sub-Coms at HO or the EC at the Branch level. Hitherto, approving the application of the candidates was done by the GC or the EC, basis their intent of the desired vector of their contribution through the current term.

4. This informal process is in need of review to have a laid down and formal process to co-opt members to Sub-Coms in order to facilitate smooth functioning of the GC and the EC towards activities of IME(I). It is therefore suggested to introduce additionally into the ORP a process to co-opt members. This process should suit the principles of governance of the EC/HO Sub-Coms in the term and be periodically reviewed preferably at the commencement of each new term of office bearers.

5. **Suggested Amendments in the ORP.** The following process may be considered for inclusion in the ORP:

(a) Amendment of an existing Sub-Com or formation of a new Sub-Com should be ratified by the GC/EC as applicable at the HO/Branch' with the Sub-Com being Headed by an Elected Member of the GC/EC, respectively. Details of such Sub-Com should thereafter be intimated to Members of the Institute / Branch.

(b) Head of each Sub-Com desirous of co-opting members during its term should publish the invite soliciting applications for co-opted members that lay out their intent as per guidelines in Appendix, to the relevant complete Membership. The process of inviting nominations may be done through the MER and/or by mass mailing to either the complete Branch Membership OR the complete National Membership - as the case may be. A suitable time period should be given for the Members to respond.

(c) The elected Office Bearers of the Branch / HO and the Head of the concerned Sub-Com will vote on each application received. To be co-opted as a member, the Applicant must receive a simple majority. In case of a Tie, vote of the Sub-Com Head will be final. The elected office bearers at the HO to be considered are - P, VP & HGS. The elected office bearers at the Branch to be considered are - C, VC, Sec, Treasurer

(d) The Head of the concerned Sub-Com (either at HO or Branch) will have the prerogative to additionally nominate Members of his

choice in conjunction with the Office Bearers after having followed the due process for inclusion, if so needed.

(e) In case the HO requests the Branch Chairman to nominate Members for the HO Sub-Committees, the Branch Office Bearers will decide internally and recommend the name(s) to HO after following the due process. The Chairman of the Sub-Com at HO will then take a decision on the nominations received along with the HO Office Bearers.

(f) No reasons may be assigned for rejecting a nomination to the candidate; however, records of the voting may be recorded and he/she must be informed of the decision.
