

Letter of Gratitude for the Education and Service provided by IME(I)

12th October 2022

The Institute of Marine Engineers (India) is an excellent institution with top-notch instructors dedicated to ensuring a bright future for seafarers by continually educating and updating their technical knowledge. Wishing the institute all the best.

30th May 2022

My name is Priyadarshi Rahul, and I was a student in your Class 1 preparatory course at IME(I) during the January/February session.

I am pleased to inform you that I passed my first attempt at the MEO Class 1 (online) oral exam at MMD Mumbai on September 14, 2020. The results were published online on September 19, 2020. The surveyors remarked, "We are passing you, but keep studying and polish your knowledge."

Thank you so much, Sir, for your support and guidance. You may not remember, but during class, you once mentioned that I had the potential to clear the orals on my first attempt. This encouragement meant a lot to me and boosted my confidence. Thank you for believing in me, Sir!

Although I became nervous and didn't answer two questions to my satisfaction, I am grateful the surveyor gave me the benefit of the doubt and trusted my incomplete answers.

I have not yet appeared for the written exam as it has been suspended since April 2020. My company is pressuring me to rejoin the ship, so I may only be able to take the written exam once I return next year.

Yours sincerely,
Priyadarshi Rahul
Second Engineer

15th August 2021

It was a great time and a valuable learning experience. IMEI has consistently maintained high standards for all students. Thank you for uplifting us and providing excellent exposure.

Mahipal Singh

9th April 2021

I am Prashubh Katiyar, and I enrolled in the Class 2 Preparatory Course at IME(I) in January 2020, completing it on June 30, 2020. Yesterday evening, I received my written exam results and am delighted to inform you that, with the blessings and support of my teachers, I passed all papers on my first attempt and successfully completed my MEO Class 2 Exam.

I would like to express my sincere gratitude to:

IMEI Director, Mr. M.S. Pal

Course Coordinator, Mr. Rajeev Wad

Their unwavering dedication, strategic planning, and ability to navigate the challenges posed by the pandemic were instrumental in our success.

I also extend my heartfelt thanks to the faculty members:

Naval Architecture: Mr. Vikram Gokhale and Mr. U.C. Rath

MEP Motor General: Mr. Subramaniam Vishwanathan, Mr. Ravi Gopal Iyer, Mr. N.V. Samant, Mr. Rajiv Singh, Mr. Rajeev Malhotra, Mr. U.S. Singh, and Mr. Manteswar Kumar

Electrical: Mr. Rajeev Valunjkar

SSEP: Mr. M.S. Pal

SSEP & Ship Construction: Mr. Rajeev Wad

I am deeply grateful to all the faculty members for not only imparting knowledge but also sharing their work experiences and motivating us to become better engineers and individuals.

Special thanks to Mrs. Anukampa and the office staff for their assistance with online classes, attendance, and the certification process. I attended both physical and online classes, and the online videos provided were invaluable, especially when exams were interrupted due to COVID-19. These videos allowed me to study at my own pace and review lectures multiple times, enhancing my understanding.

The flexibility of the online classes enabled me to learn at times when I was most alert, and I could revisit the material as needed, even while traveling.

While many institutions offer similar preparatory courses at lower costs, the quality of education and services provided by IMEI is unparalleled. I highly recommend IMEI Mumbai to anyone seeking a top-notch preparatory course.

Thank you.

Yours sincerely,

Prashubh Katiyar
