About Cochin – The Marine and Commercial Capital of Kerala

Cochin, known as the Queen of the Arabian Sea, is a vibrant city located on the south west coast of India, star of God's Own Country, Kerala. From time immemorial, Arabs, British, Chinese, Dutch, and Portuguese traders have left an indelible mark on the history and development of this beautiful coastal town.

Cochin has preserved many of its historic landmarks and monuments, which continue to add to its charm and glory. The city is the Maritime and Commercial capital of Kerala, boasting of major infrastructure such as seaports, container terminals, modern shipyard, maritime educational and training centres, airport, an efficient Metro and Water Metro network.

Cochin enjoys excellent connectivity to Kerala's major tourist destinations through rail, road, and inland waterways. A wide range of hotels and restaurants offering delicious cuisine at affordable prices make it a destination for both business and leisure travellers.

The Institute of Marine Engineers (India)

The Institute of Marine Engineers (India) is a premier professional body representing marine engineering professionals across the country. With a membership strength of over 13,000, the Institute members include professionals serving both in India and abroad in key positions across the maritime industry.

Headquartered in Mumbai, the Institute operates eight regional branches located in different parts of the country. It actively provides various facilities to enhance the knowledge and professional competence of its members, while extending a wide range of services aimed at their professional growth and welfare.

The primary objectives of the Institute are to promote the scientific and technological advancement of marine engineering, facilitate the exchange of ideas and information among marine engineers, uphold the professional status of its members, foster cooperation with other professional institutions, classification societies, and the maritime industry, and contribute to the advancement of engineering education in the country.

About the event, COMARSEM 2026

COMARSEM (Cochin Marine Seminar) is a flagship event periodically organised by the Cochin Branch of The Institute of Marine Engineers (India). The upcoming COMARSEM 2026, scheduled for January 2026, will be an international seminar bringing together eminent stakeholders from across the global maritime industry under one roof.

COMARSEM 2026 organized by IMEI Kochi branch in association with DG Shipping

Themed “**Maritime India – Innovations and Collaborations**,” this mega event will feature panel discussions, technical presentations, and interactive sessions that deliberate on the progress of India’s maritime sector and explore strategies to realise the nation’s vision of becoming a maritime superpower.

The event will host focused panel discussions and paper presentation on key topics such as:

- ◆ Policy framework and new legislations to accelerate Indian Shipping and Inland Waterways.
- ◆ Infrastructure growth for enhancing shipping, shipbuilding & repair and ship recycling.
- ◆ Accelerating the adoption of greener technologies to meet decarbonisation goals
- ◆ Innovate training methodologies for skill development focused on alternate fuel, digital, autonomous, AI technology etc.
- ◆ Developing maritime clusters to address emerging challenges indigenously
- ◆ Improvements in logistics and supply chain systems for sustained growth.

These discussions aim to foster cross-industry collaboration, drawing valuable insights from both Indian and international participants, while exploring the financial and technological pathways essential for achieving these ambitious goals.

This event will feature:

TECHNICAL PRESENTATIONS, PANEL DISCUSSIONS & NETWORKING

- ◆ Inauguration Session attended by Industry Leaders.
- ◆ Four (4) Sessions of Paper presentation of 4 papers each
- ◆ Four (4) sessions of Panel discussions
- ◆ Industry Exhibits
- ◆ Kochi back water networking cruise.
